

You are invited to become a part of history with the Placitas Community Library!

A brick landscape will enhance the beauty of our outdoor scape and can be engraved with

YOUR NAME

BUSINESS,

FAMILY,

FRIEND,

OR

IN MEMORY OF A

LOVED ONE

The Placitas Community Library is a result of a grassroots effort and we believe that our library is an essential building block in developing a sense of community pride and spirit.

We provide important services, internet access, interlibrary loan and copier/fax use. Patronage has tripled in the past year and our collection has rapidly expanded to exceed 14,000 items, 1000 CDs, DVD's, audiotapes, large print and Spanish language books.

We are not a state owned library. State and County General Obligation Bonds are voter approved bonds that provide financial support to the library for books and other items in the collection, equipment and other limited expenditures.

Your Donations help us pay our operational expenses!

Operational expenses include utilities, maintenance/office supplies and other expenses that keep the library building open. Our only paid staff is our director, Christine Mathias. We are a fully operated library using volunteers. The total monthly contribution of hours provided by our volunteers exceeds 1,200 per month.

Volunteers staff the Help Desk, staff the online sales of used and donated books, maintain the gardens, manage programming events and more.

Here is your opportunity to make a lasting contribution to the library.

This will be a continuous project that will grow over time.
