invites you to

Come     with us!
S I G N

SAT. SEPT 10. 1:00 - 3:00

Special guest, Donna Salamoff, will join us to     the story: *The Garden Wall*.

Written by her friend, award-winning author and illustrator Phyllis Limbacher Tildes, this story is about the friendship between a hearing child and a deaf child.

While a Children's Committee volunteer reads this story aloud, Donna will sign this story that weaves a sensitive tale that opens a window to the deaf experience. After the story, Donna will teach everyone signing!

Donna, herself, is deaf and she also reads lips, so be sure to face her so she can see your lips and you can carry on a conversation with her as with anyone else.

*This will be a fun and enlightening program for all.
Hope you can join us!*
