Dr. Rick Hendricks will discuss his book, *The Witches of Abiquiu: The Governor, the Priest, the Genizaro Indians, and the Devil*. Co-written with Malcom Ebright, this book is based on a little-known event that took place in northern New Mexico in the eighteenth century. Between 1756 and 1766 – five decades after the Salem witchcraft trials – there was an outbreak of witchcraft in Abiquiu, New Mexico.
